

On Board @LAST ...

@LAST – Leopard 24 mt – 3 Cabins - Base GAETA -3 People for Crew

@LAST

@ The Leopard 24-metre yacht, *Last*, exemplifies luxury design crafted for an extravagant lifestyle. Its aesthetic harmoniously integrates elegance, comfort, and practicality, making it an excellent feature for a luxury lifestyle piece. Below is a summary of its principal design attributes:

Exterior Design

Sleek Sophistication: The yacht boasts a streamlined profile complemented by large windows, delivering a modern and dynamic appearance. This design not only elevates its aesthetic charm but also allows ample natural light to flood the interior spaces.

Interior Design

Elegant Atmosphere: The interior spaces radiate refinement and luxury, creating a welcoming and upscale environment for guests.

Cabin Layout:

Master Cabin: Generously sized with a private bathroom and shower, offering both comfort and privacy.

VIP Cabin: Features a double bed and an en-suite bathroom, providing a tranquil and exclusive sanctuary.

Twin Cabin: Equipped with separate beds and all necessary amenities to ensure guest comfort.

Main Deck Salon:

Integrates a dining area with a lounge outfitted with plush sofas.
Functions as a central space for relaxation and socialising.

Engines

Equipped with 2x MTU 12V2000 M91 engines, each rated at 1500 hp, accompanied by two generators producing 27 kW and 20 kW respectively. Fuel consumption varies with speed as follows:

- 340 litres per hour at 17 knots
- 500 litres per hour at 23 knots
- 600 litres per hour at 27 knots
- 750 litres per hour at 31 knots

Cruising Speed

Maintains a cruising speed of 23 knots

Fuel Consumption

Approximately 500 litres per hour at cruising speed

@LAST
